Visitor parking on the James and Edwin Bldg. site is limited to the surface lot, which tends to fill up quickly. If you will be hosting a meeting with non-employee visitors in the James or Edwin Building and you want your visitors to have access to the James/Edwin garage, please send an e-mail request to Security Supervisors at security_supervisors@bah.com and Security Guard Force Management at security_guard_force_mgmt@bah.com. Please provide them the name of the meeting, date and time, the primary Booz Allen point of contact, the number of visitors expected, and names, if you have them, 24 hours in advance. For ease of service subject lines of the e-mail should include the following "James/Edwin Parking Request for "X" Meeting on "Date".

Please advise your visitors that they may park in the James/Edwin garage if the surface lot is full. When they arrive at the garage gate, they should hit the talk button and announce the meeting name or their host's name. (Do not hold the button down.) Security will then verify the name of the meeting, host, and/or visitor and proceed to raise the garage gate so the visitor may access the garage. Visitors should park in any non-reserved space.

PUBLIC TRANSIT
